Addition of a selection of cured meat and local pecorino cheeses

10 €

Cooking Classes

The course is a moment of gathering, a way to step into the kitchen and uncover the secrets of how to knead water and flour, creating pasta with our chef just like our grandmothers used to, and to end on a sweet note, we'll prepare an authentic tiramisu.

A lunch will follow to savor the dishes created.

The chef is also available upon reservation to teach more complex preparations.

 1:30 hours

110 € per person
